

Sponsorship supports the organisation of the initiative, positions your company, and gives you additional exposure towards the public, interested in photonics.

To discuss your sponsorship package, please contact Neringa Noreikiene by email: neringa.noreikiene@epic-assoc.com or phone: +37062438991.

The sponsorship of this activity has a flat rate of 750 €, including a logo [on the initiative page](#) linked to the sponsor website, a social media announcement (LinkedIn, Twitter), logo in direct mailing x 2 times (1000 contacts) and mentioning your company name on the press release sent to our media partners.

DAY OF PHOTONICS
21 OCTOBER 2021

Canolfan Arbenigedd Ffotoneg
Centre for Photonics Expertise

#dayofphotonics2021

Join CPE Wales to celebrate Day of Photonics on 21st Oct
We have a jam packed schedule for the day.
Follow us on social media as the photonics frenzy unfolds!

Byte Sized Photonics - Tech For Non Techs
We shine the spotlight on lasers, lidar, the light bulb and so much more. Episodes of our Byte Sized Photonics podcast series will be released on the hour from 10am to 3pm.

Photonics Phacts
Amazing illuminating facts about photonics will be scattered throughout the day.
